

BADIACREPALDO

M L X X X I V

Our "1084 – Blanc de Blancs" is created using the Solera process: its vinification is obtained by only using "free-run must" from **Chardonnay** grapes.

The "Blanc de Blancs" is recognisable because of its bright golden colour and fine, thin perlage. It reveals very complex hints of **ripe fruit, honey, custard and dried fruit with a woody nuance.**

In the mouth, it is structured and elegant, soft and creamy, with a powerful acidity and beautiful mineral texture.

"1084"
Blanc de Blancs

Grapes: Chardonnay

Type of harvest: Manual

Bottle size: Sciampagnotta 0.75 lt

Alcohol: 13%
