

BADIA CREPALDO

M L X X X I V

The "Primo" Sor Unno develops in the glass with a bright ruby colour. The bouquet of notes that come to life on the nose highlights a range of fruity notes that include **black cherries, blueberries and blackcurrants** that merge into aromas like **quinotto, vanilla and spices**. It is full-bodied, with a round and enveloping mouthfeel, and a long lingering finish.

An elegant wine, in which Pinot Noir adds a very interesting level of complexity to the blend.

The envelope-label, with a drip saver inside to serve the wine, makes the bottle a perfect gift for wine lovers.
